Thank you for your interest in Keil-Line O-Scale model railroad products.

Keil-Line Products manufactures the highest quality superior white metal, plastic & resin-cast O-Scale model railroad components available. The enclosed price list reflects the currently available items in our ever growing line of O-Scale detail parts, kits, trucks, etc. Keil-Line also manufactures the former W.K. Walthers line of O-Scale parts. The former W.K. Walthers items are being upgraded wherever practical, and, as time permits, are being added to our line. New items are continually under development and will be added to our line regularly. We will be happy to send a free updated list at any time. Please furnish a #10 SSAE with 3 first class stamps with your request.
