**NEW PRODUCTS
SUPPLEMENT**

INTRODUCTION

Dear Customer/Model Builder:

We are pleased to present our NEW 32 page 1991 PLASTRUCT Catalog Supplement, containing over 300 New Products.

If this is your first exposure to PLASTRUCT, Welcome! However, please ask for our 224 Page PLASTRUCT (Volume V) Catalog which goes hand-in-hand with our New Supplement.

If you are already familiar with PLASTRUCT, thank you for your continued support. We know you will appreciate these New Products.

In either case, you will find more information regarding our Plastruct Catalog on Page 31 of this New Supplement.

We believe we have something for everyone. Inside you will find over 300 New Products required by Hobbyists, Architects, Engineers, Professional Modelmakers and Do-It-Yourselfers worldwide. However, PLASTRUCT is not limited to people who only build models. The manufacturing of jewelry, fishing lures, sporting goods, aids for the handicapped, costumes, signs and interior decorations are just a few of PLASTRUCT's other uses. Really, the versatility of PLASTRUCT is limited only by your imagination.

For the model builder, whether professional or novice, we offer the most extensive selection of quality scratch model parts available from one source. We pride ourselves on our quality of products, service and pricing. All PLASTRUCT products have been designed and produced for their uniqueness and usefulness.

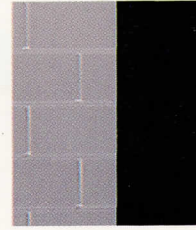

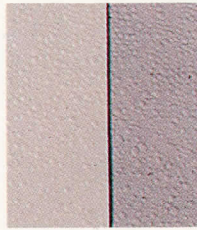

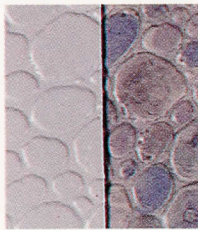

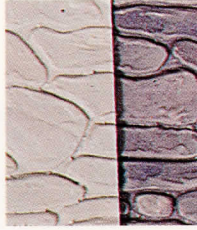

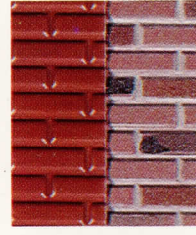

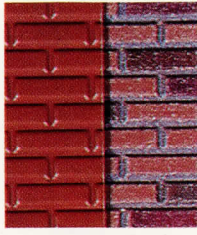

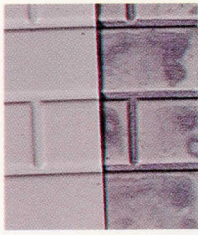

To obtain PLASTRUCT products, first see your local Hobby Dealer. If not available, please contact us direct for prompt service. Order information may be found on the inside back cover.

Good luck on your project!

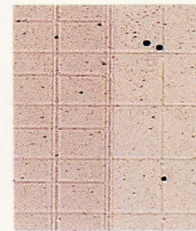

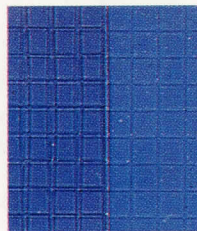

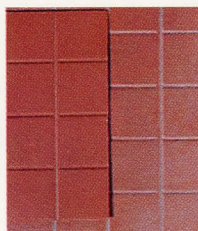

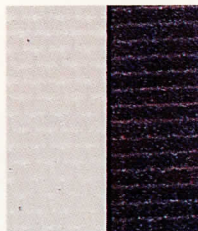

PLASTRUCT Booth at the Chicago Model Hobby Show, October, 1990

PLASTIC PATTERNED SHEET

Available in 7" x 12" or 7" x 24" sheets. Left side of pattern illustration represents the untouched product while the right side illustrates what is possible with a little paint and imagination.

Ten modern architectural colors in Five sizes.

Mirrored Styrene/Polyester laminate. This material bonds and cuts like normal Styrene. The Polyester laminate will not peel when narrow strips are cut (unlike films applied to Acrylic or other substrates).

Ideal for models of glass office buildings.

ORDER INFORMATION

● HOW TO ORDER

See your local Hobby Dealer first. If they cannot help you, you may order direct for prompt service.

Use our order form supplied with this Supplement or a plain sheet of paper.

You may also order by phone. Our new Toll Free Order Line number is (800) 666-7015. Please make certain to provide this information:

Name
Address
City, State, & ZIP Code
Phone Number
Part Code No./Size/Length/Quantity/Price

● TERMS

Minimum order is \$10.00. Add appropriate postage, insurance and handling charges found in the table at right.

California Residents add sales tax.

C.O.D. shipments are collectible in cash or cashiers check only.

We do not ship on open account. Please include check or money order for the correct amount.

● PRICE

All prices are U.S. currency.
Prices subject to change without notice.

● RETURNS

It is our policy **not** to accept returns unless the goods are defective in manufacture or were incorrectly shipped.

● SHIPPING

All orders will be shipped by UPS or surface carrier. Orders are usually filled the same day as received.

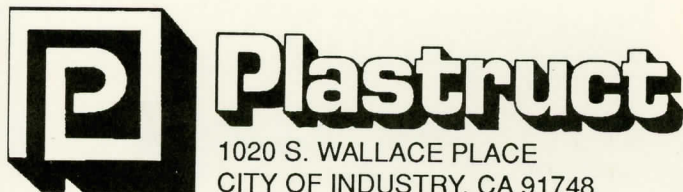

● INTERNATIONAL ORDERS

We will be happy to quote on international shipments. Please specify shipping method with your request.

POSTAGE, INSURANCE & HANDLING CHARGES.
